Use Australian Timbers

They are Superior to the
Imported Article and Cheaper

WE GRADE OUR HARDWOOD AS FOLLOWS :

Selected Quality	at 27/-
Merchantable Quality	22/-
Common Quality	17/6

Please note that the above prices are per 100ft. super, and that the following sizes would cost :—

	Selected	Merch.	Common
3 x 1	6/9	5/6	4/4 $\frac{1}{2}$
3 x 2	13/6	11/-	8/9
4 x 2	18/-	14/8	11/8
5 x 2	22/6	18/4	14/7
3 x 3	20/3	16/6	13/1 $\frac{1}{2}$
PER 100ft. LINEAL.			

Our Merchantable quality is suitable for all construction work, and is fully equal to the first quality offered by other timber yards.

Armstrong & Royse Limited

THE BIG TIMBER YARDS AND
JOINERY WORKS,

CARRINGTON

Telephones 1740, 1741, 1742

This Hardwood can also be obtained from the Newcastle Timber Co., Ltd., A.A. Co.'s Wharf, at the same prices.

We have much pleasure in submitting to you our Current Price List of Timber, Mouldings, Joinery, Turnery, and other classes of Material suited to the building trade, and most respectfully solicit a careful perusal of its contents.

TERMS AND CONDITIONS.

New Customers will oblige by sending a Reference with First Order.

Terms on Timber (unless otherwise specified)—30 days, less 2½ per cent.

All goods by Steamer or Rail at Customer's risk.

Any quantity supplied, no matter how small.

Goods not stocked we shall be glad to obtain for our customers, and charge at current rates.

In this list all boards under 1in. thick are quoted surface measurements; 1in. thick and over are reduced to the 1in. or ordinary superficial measurements; and Dressed Stuff is sold by the understood trade sizes, and not by the finished sizes.

When ordering, give shortest lengths to avoid waste, and avoid giving fixed lengths as far as practicable.

All previous lists are hereby cancelled.

Cartage will be charged according to distance.

Small Orders will receive every attention, but are subject to increased prices to compensate for extra cost of handling and delivery.

RAILWAY RATES.

Timber of any description in full truck loads less 5 per cent. Miscellaneous, with the following exceptions as to minimum weight:—

Sawn or Dressed Timber—

In 16 ton S.S. trucks—11 tons.

In 16 ton S. trucks—12 tons.

In Bogie D trucks—20 tons.

In Bogie E trucks—35 tons

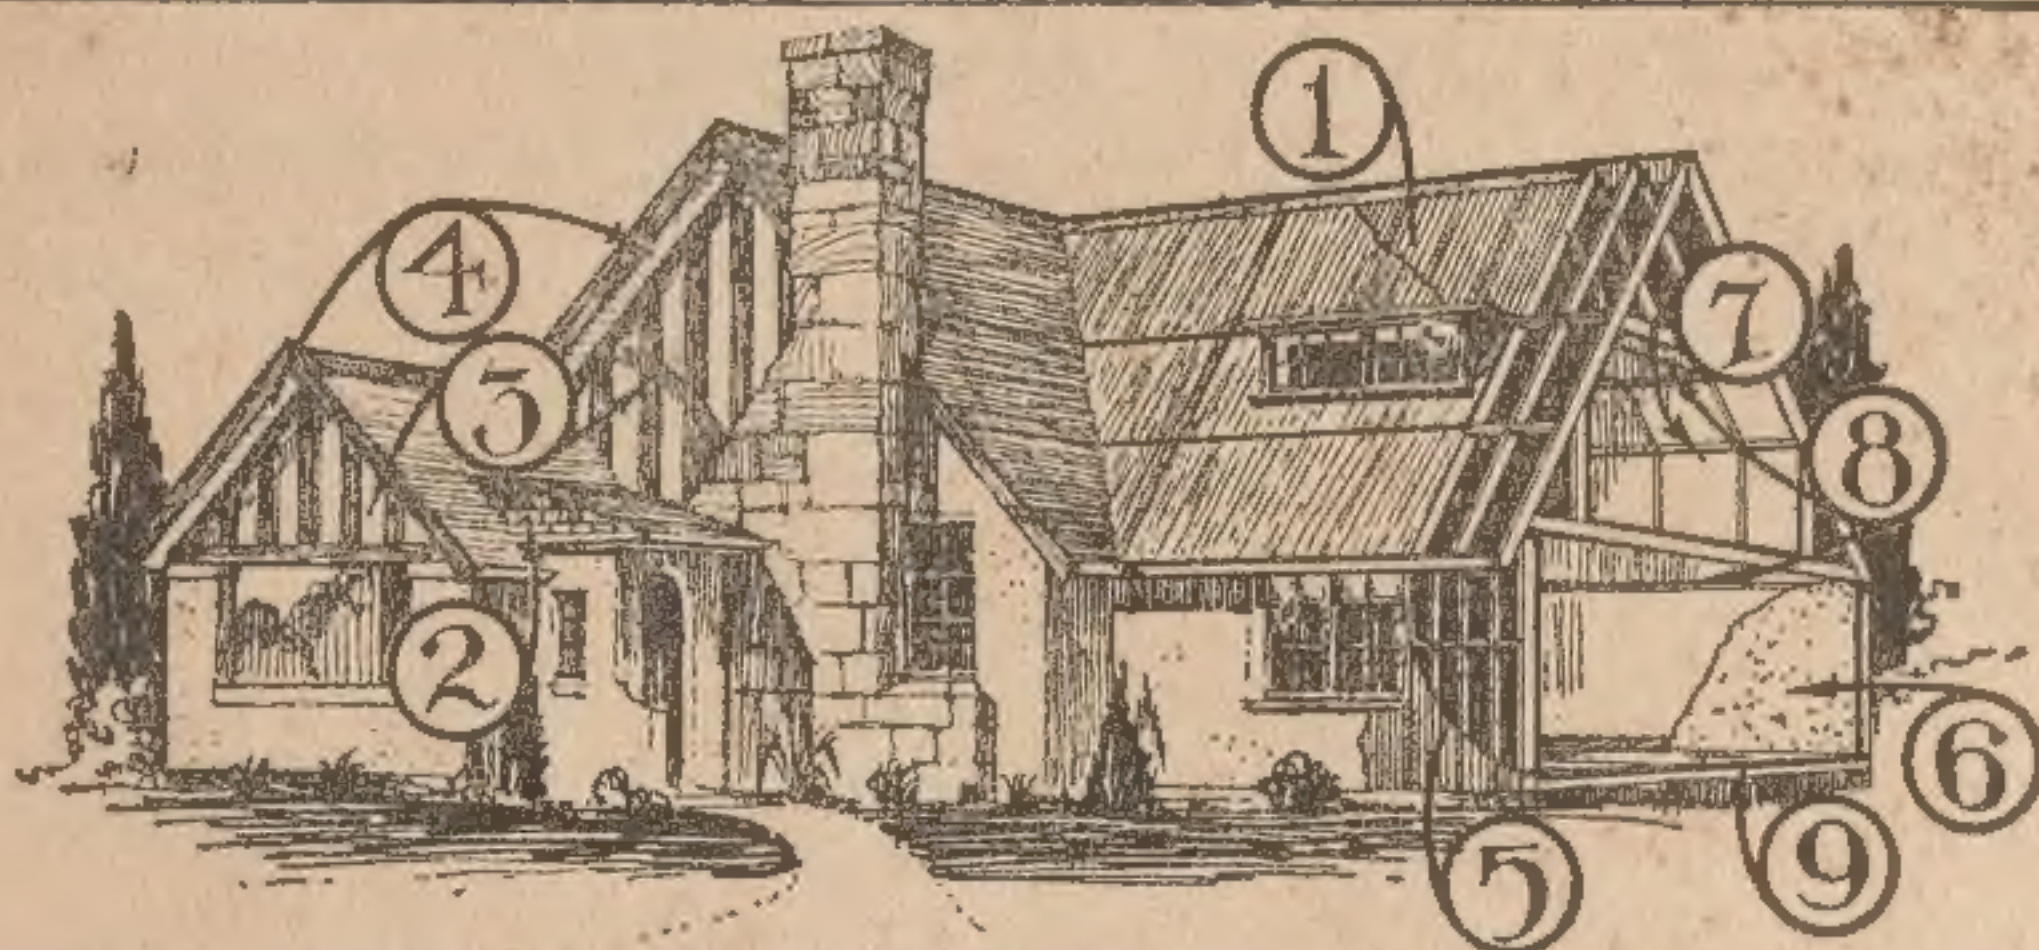

Other kinds of timber in 16 ton S.S. trucks 14 tons 5 cwt., and in Bogie E trucks, 35 tons.

Split, Sawn or Dressed (up journey) and Timber of any description (except otherwise specified) on up or down journey, subject to the conditions applying to long articles on page 7 of Rate Book, and subject to a minimum of 8 tons per 4 wheeled truck; excepting Bogie F. trucks. the minimum for which will be 12 tons. Miscellaneous plus 10 per cent. Smaller quantities, A rate.

Split, Sawn or Dressed (down journey) in 8 ton lots per 4 wheeled truck—A Rates. Smaller quantities (down journey)—A plus 50 per cent.

Architraves, Mouldings and Skirtings—B Class.

Joinery and Turnery—2nd Class.

CELOTEX

INSULATING

BUILDING BOARDS

Cool in Summer — Warm in Winter

- 1 Celotex fixed directly over roof rafters is wind and weather proof. Celotex is sawn, sanded, and nailed like timber.
- 2 Both Celotex Shingles and Celotex Boards are wind and weatherproof. They stop heat, cold, condensation, and quiets noise.
- 3 Illustrating Celotex in half-timbered construction. Celotex may be painted, given a plastic decorative coat, or rough cast.
- 4 Celotex under eaves, may also be used in verandah and balcony ceilings and gables. It insulates and quiets noise in old and new buildings.
- 5 Walls of Celotex are strong, heat and cold resisting, and sound quieting. Celotex only weighs 60 pounds to the 100 square feet.
- 6 Thick or thin coats of gypsum plaster may be applied directly to Celotex. Its light weight makes fixing easy.
- 7 Showing linings of Celotex. Repairs and re-modelling for increased comfort and artistic decoration are easy with Celotex.
- 8 Celotex walls and ceilings may be left natural or decorated. Cheaply transported and fixed without waste or breakage.
- 9 Celotex provides a resilient footing under any kind of floor covering, and prolongs wear fifty per cent. Celotex under floors or floor coverings insulates against cold, dampness, and draughts. Quiets sound.

Stock sizes are 3 and 4 feet wide, 8, 9, 10 and 12 feet long, and approximately half-inch thick. Weight about 60-lbs. per 100 sq. ft.

For quantities under 1000ft., 45/- per 100 sq. feet.
Ex yard.

For quantities 1000ft. and over, 42/6 per 100 sq. feet.
Ex yard.

When ordering in full crates of eight boards of same length and width, no extra charge for crating.

We Specialise in the Highest Grade—
